\$ 19.43

Item # 0113

Dri-Mesh Pro:
ventilation panels
for the next level
of dryness.

**SPORT-TEK® DRI-MESH® PRO
SPORT SHIRT**

Strategically placed ventilation panels take the ultra-dry technology of Dri-Mesh to the pro level. This advanced mesh design truly performs by removing a major obstacle to comfort—sticky perspiration. Stretch-enhanced gussets boost the overall mobility and breathability of this hi-tech shirt.

- 3.9-ounce mini pique body fabric
- 95/5 poly/spandex stretch
- mesh panels and locker patch
- 3-button placket
- Dye-to-match buttons
